

Spring International Volunteer Program 2024

[Education / Environment]

Application Guide for the Volunteer Program Co-sponsored by FPT University

Hosei University will co-host an international volunteer program to work on local environmental problems and to support Japanese education for Vietnamese students. The program lasts for about four weeks, and is run with FPT University, our partner university. It was established with the aim of cultivation of human resources by the FPT Corporation, the largest information technology (IT) company in the country. Under the program, participants work on two community projects under support and supervision of professional industry mentors.

Project 1: Supporting the development of the Japanese-speaking community in Vietnam

Project 2: Raising awareness and funds for environmental conservation projects in Vietnam

Objective	Raising awareness and responsibilities of the younger generation to community development by participating in social projects and activities hosted by Vietnamese NGOs / NPOs.
