**COMPONENT DESCRIPTION**

Component		Description	Objective
Orientation	Program Orientation	<ul style="list-style-type: none"> <li>- Ice breaker</li> <li>- Life Orientation</li> <li>- Program Explanation</li> <li>- Expectation settings</li> <li>- Problem solving guidance</li> </ul>	<ul style="list-style-type: none"> <li>- Students break the ice to get along with friends</li> <li>- Students learn about life in Vietnam</li> <li>- Students understand program components and experience they will have in program</li> <li>- Students know how to solve when they have any problems during stay in Vietnam</li> </ul>
	Basic Vietnamese class	Students join Vietnamese class with teachers and Vietnamese buddies	<ul style="list-style-type: none"> <li>- Students learn some basic Vietnamese to interact with local people</li> <li>- Students understand Vietnamese culture</li> </ul>
Workshop & Training	Workshop: Building an Effective Mindset for Volunteering in Vietnam	Students will participate in an interactive workshop designed to help them understand the values, cultural context, and appropriate attitudes when engaging in volunteer work in Vietnam.	Students will explore the cultural differences that shape volunteer activities in Vietnam. Students will develop a positive and respectful mindset for working with local communities. Students will gain practical communication skills to collaborate effectively with local organizations and beneficiaries.
	Sharing: Volunteer experience sharing	Students join a sharing by the experienced coordinator or the head of the organizations	<ul style="list-style-type: none"> <li>- Students will be shared about how volunteer experience in Vietnam</li> <li>- Students learn difficulties of doing volunteer in Vietnam and how to overcome those difficulties</li> <li>- Students learn necessary skills and useful tips to do volunteer in Vietnam</li> </ul>
	Vietnamese Instruments Class	Students will attend a workshop focusing on traditional Vietnamese musical instruments and learn how to play an instrument, such as Đàn Tranh, Đàn Bầu, ...	Students will experience the fundamental techniques of playing a Vietnamese instrument, fostering a deeper connection to the country's artistic expressions.

	Training: Practical Fundraising Skills and Methods	Students will join a hands-on training session focusing on real-world fundraising strategies and techniques that are effective in Vietnam and Da Nang.	Students will practice designing a simple fundraising plan for a volunteer/ social project. Students will develop essential communication and presentation skills to approach potential customers and donors.
Volunteer		Volunteer At Agent Orange Victims Center	- Students experience real working environment and gain international working skills - Students broaden valuable networks - Students will experience hand-on activities such as embroidery, sewing, weaving, printing, and making incense. They will need to come up with ideas to make the products appealing to Japanese tourists, thereby preparing for a fundraising campaign for Agent Orange victims.
		Fund-raising for Agent Orange Victims Center	After completing the products, students will carry out fundraising by bringing the items back to the FPT University campus to sell to Vietnamese, Japanese, and other international students. From the funds raised, students will give them to the children of Agent Orange victims. Set up a vibrant booth where Vietnamese and international students come together to showcase and sell unique products, handmade crafts, and cultural souvenirs, fostering cross-cultural connections and creativity!
		Volunteer at Elderly Care Center for Revolutionary Veterans	Students will spend meaningful time with elderly residents who contributed to the country's independence and development, listening to their stories and assisting with daily activities. Students will cultivate empathy, respect, and a deeper understanding of Vietnam's history and the sacrifices of previous generations.
		Volunteer at Environmental organization	Explore social enterprises that transform recycled fabrics into beautiful handcrafted products, creating job opportunities for local women in need of extra income. Get involved by contributing innovative product ideas to appeal to Japanese tourists. Additionally, lend a hand in campus and riverside cleaning activities to help maintain a cleaner, greener environment.
		Students present their whole experience in volunteer projects and program	- Students see the results of their volunteer projects - Students receive feedback for improvement
Excursion tour	Da Nang city tour	Students go on excursion tours to explore Vietnam	Students go on half day trip around Da Nang: Linh Ung pagoda, Han Market, museum, Dragon Bridge, Night Market, etc
	Hoi An Ancient town tour		Students go on half day trip to Hoi An: lantern making workshop, Hoi An Memory Show, Hoi An by night
Homestay			- Students experience local lifestyle in day time (no overnight) - Students connect with local people and understand culture
