Program Highlights

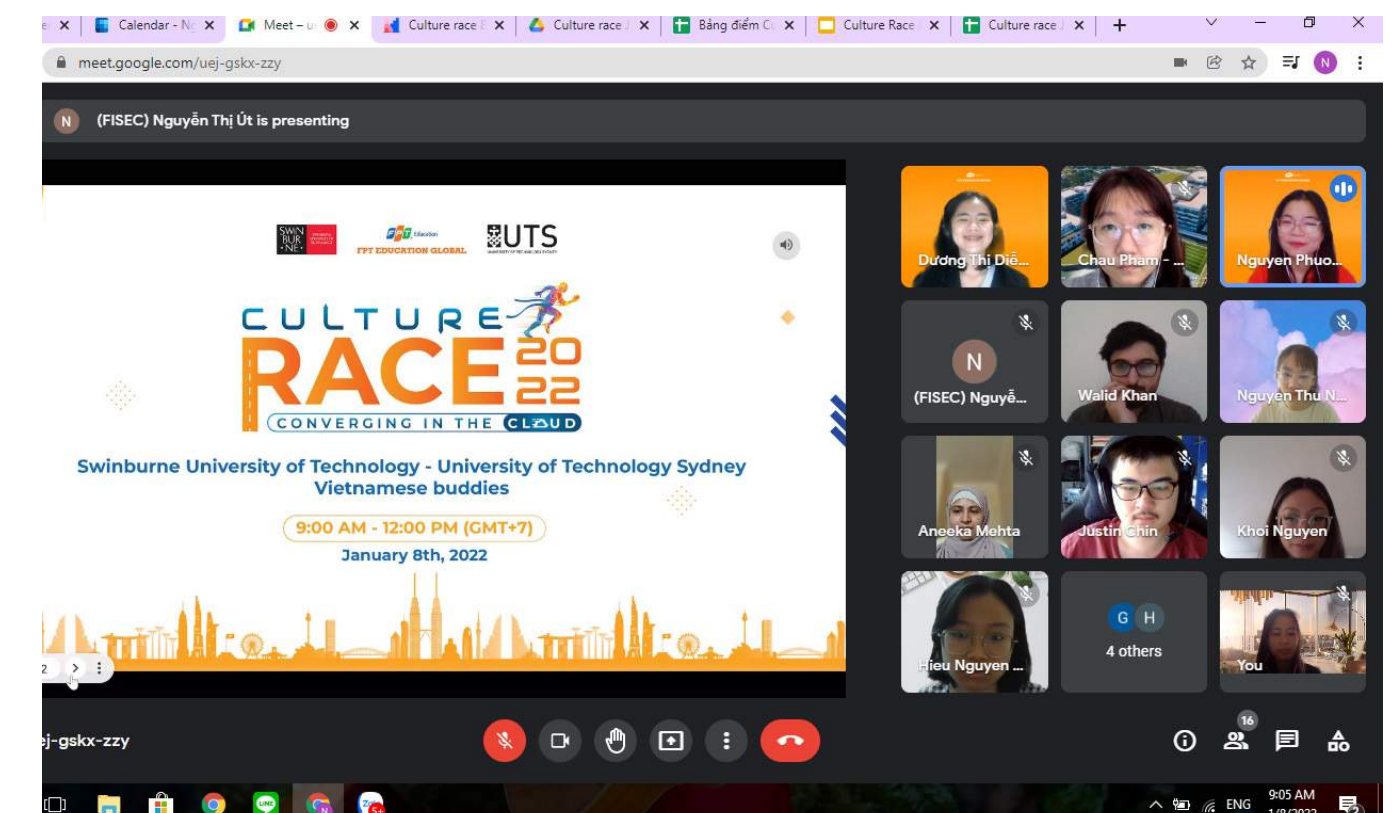

Design Thinking Workshops

Sustainability Team Projects

VIP Talks surrounding SDGs

Cultural Exchange Activities

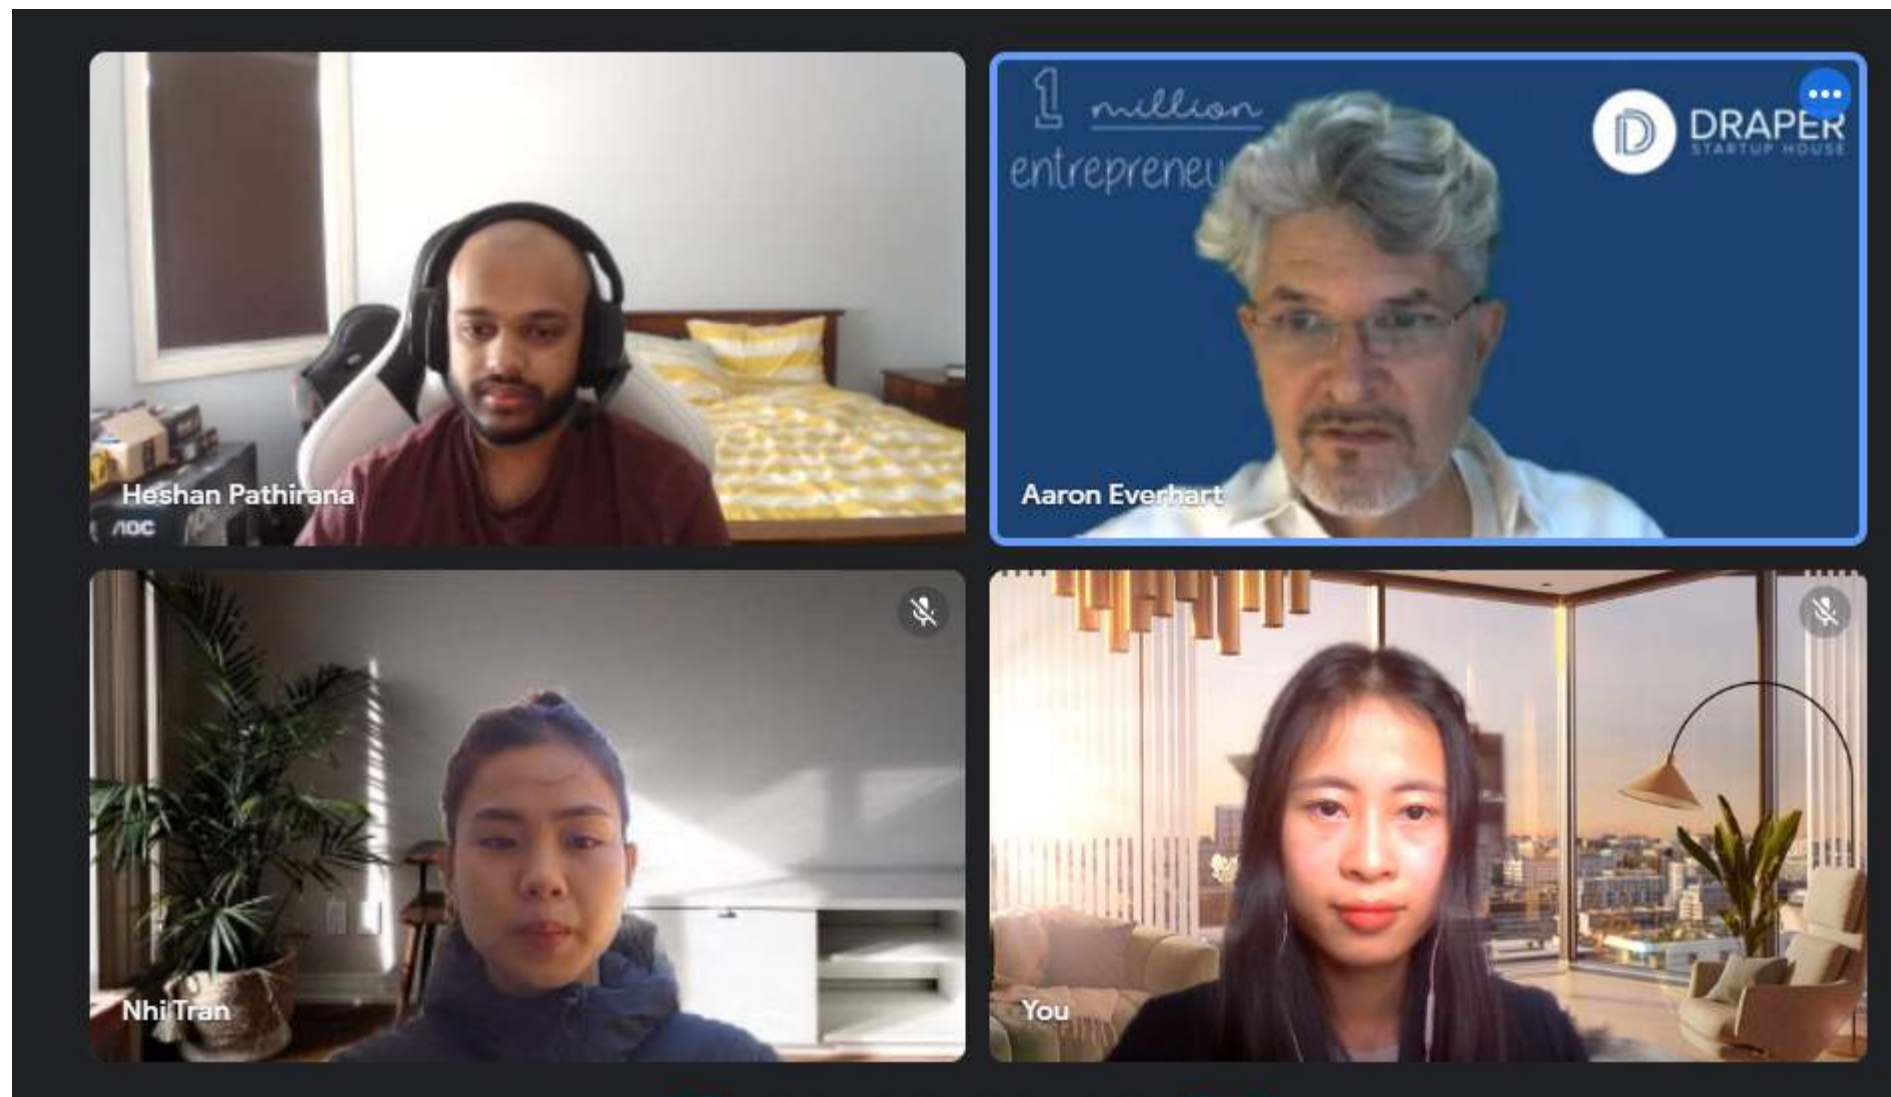

Program Highlights

Design Thinking Workshops

A series of interactive virtual workshops surrounding 5 stages of Design Thinking. Activities are designed for students to actively experience, cooperate and contribute.

Participants will be guided by a group of innovative facilitator and mentors who have delivered Design Thinking workshops to British Council Vietnam, US Embassy Vietnam and many Vietnamese Youths

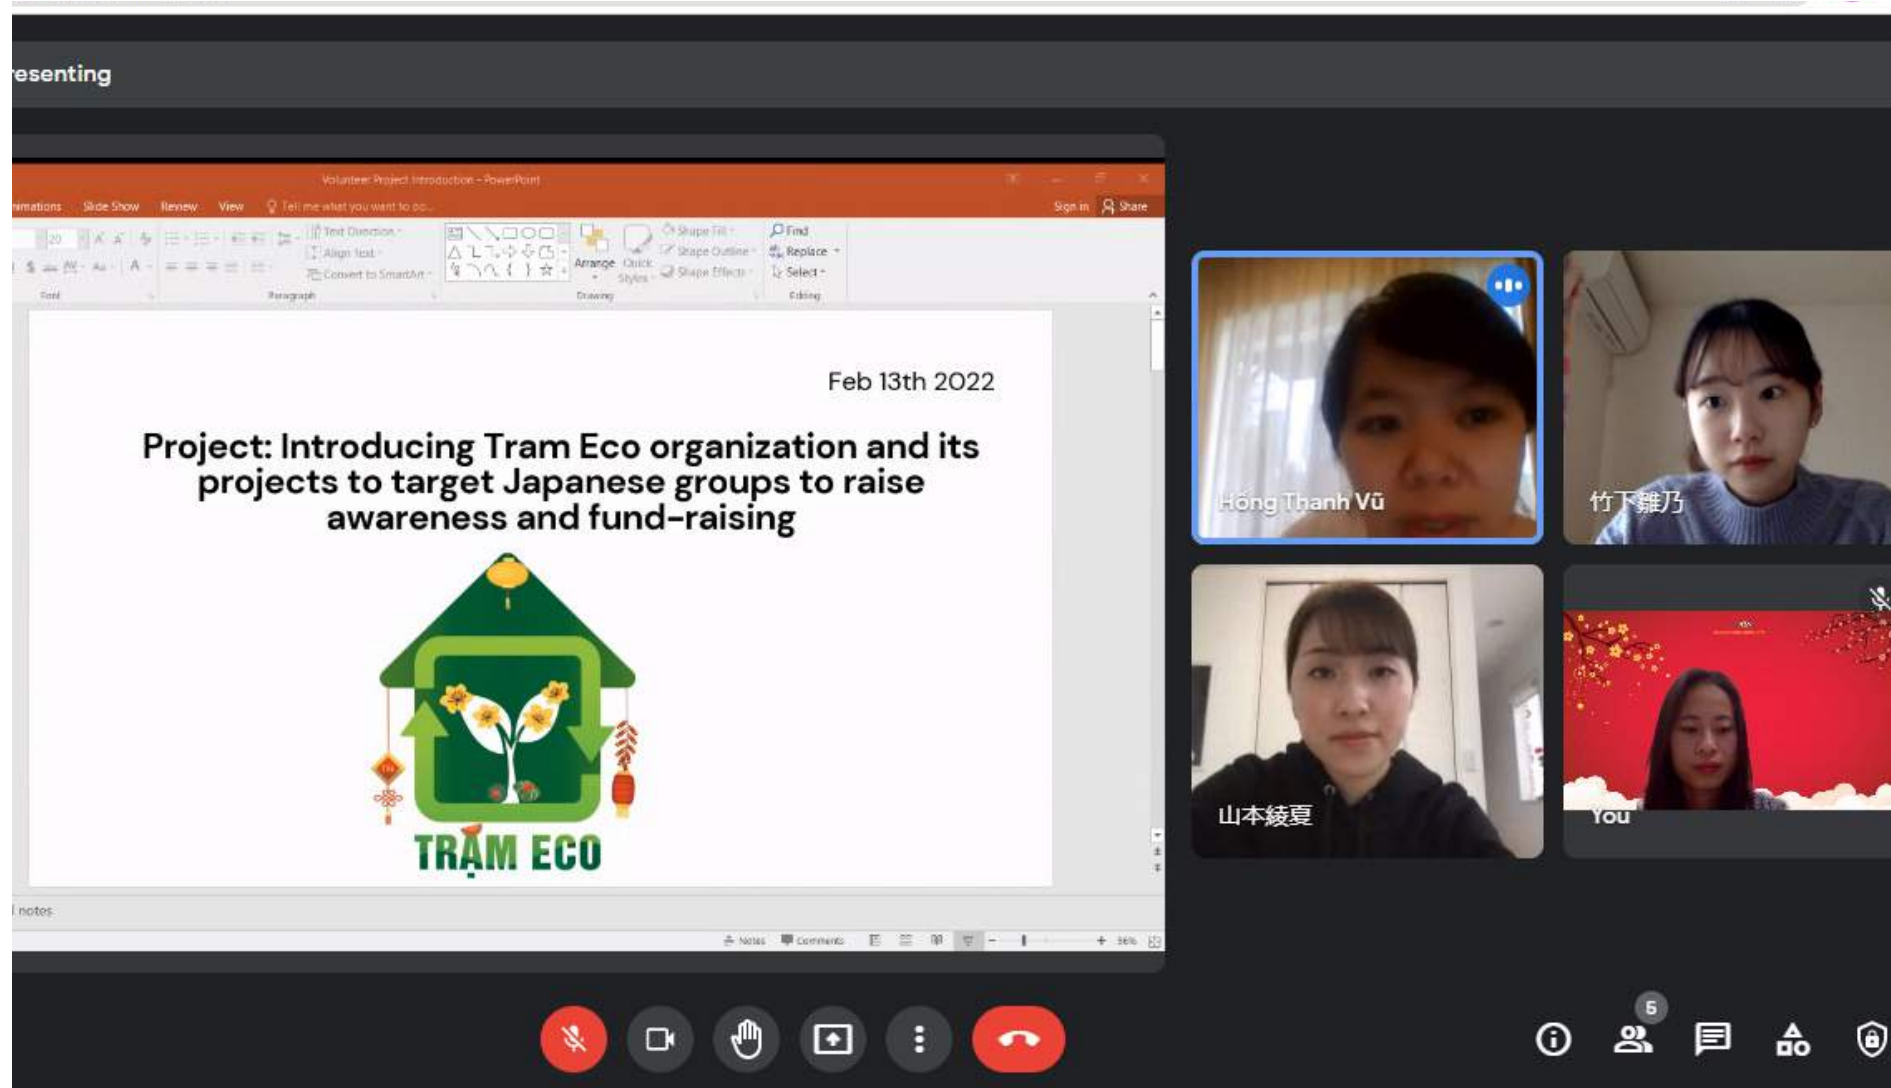

Program Highlights

Sustainability Team Projects

Accompanying the program's workshops and VIP talks, students will have a chance to apply and practice through a project-based activity. Students can learn to plan and create a solution for a social issue while working in teams with expert guidance and mentorship.
