## 2.Students Coming from Areas Not Subjected to Entry Ban

To President, Hosei University

### Letter of Consent

I will observe and agree to the following terms when entering Japan. Thus, I wish to apply for a written pledge.

#### Terms

1. No history of staying in any area subjected to entry ban (excluding the country and area of departure) within 14 days before entering Japan.
2. Act as requested by the Ministry of Health, Labour and Welfare after entering Japan.
3. If symptoms of COVID-19 appear, follow the instructions of the university and the Government of Japan.
4. Do not engage in interpersonal contact or activities that may lead to the spread of COVID-19.
5. Cancel travel to Japan if any symptoms of COVID-19 appeared, including fever, respiratory symptoms, and a sense of malaise, when measuring body temperature during the last 14 days before entering Japan.
6. Take a test for COVID-19 within 72 hours before departure, obtain a certificate of the negative test result from a local medical institution using the specified format, and present the certificate or a copy of it to the quarantine officer and the immigration officer upon arrival in Japan.
7. Purchase private medical insurance (including travel insurance that covers medical expenses during the period of stay) before entering Japan.
8. Do not use public transportation during the first 14 days after arrival.
9. Wait at home or other accommodation and do not have any contact with unspecified persons for the first 14 days after arrival.
10. The subject must cooperate with the local health center for investigation if they test positive within 14 days after arrival.
11. Wear a mask, disinfect hands, and avoid the three Cs (closed spaces, crowded places, and close contact with people) to prevent infection thoroughly.
12. Report health status to the university every day for the first 14 days after arrival.
13. Install and try to use the contact-tracing app designated by the Ministry of Health, Labour and Welfare during the first 14 days after arrival.
14. Start storing location information using map apps or so on and try to store the location information of the first 14 days after arrival.

15. If symptoms of COVID-19 appear, report to the university and seek medical attention at the designated medical facility immediately.

16. Take the test for COVID-19 upon arrival. Remain in the designated waiting area until the result is known and do not come into contact with others. If the subject has to wait for the result outside of the airport, they shall wait at home or reserved accommodation at their own expense.

17. Violations of the above may result in the revocation of the status of residence and deportation.
