

■ Cultural Exchange Event with Anhui Sanlian University

On March 22, we held an online event on food culture with Anhui Sanlian University. Fifteen students enjoyed learning about national and cultural differences through food.

■ Cultural Exchange Meeting with NHL Stenden University of Applied Sciences

About 20 Hosei students and 20 NHL Stenden University of Applied Sciences students participated in a cultural exchange meeting conducted in English on March 25. Students shared ideas about a variety of things, from Dutch and Japanese cultures to ideas about leadership. We're hoping to host similar events as well in the future to foster intervarsity exchanges.

■ Guidance and orientation for new students

Students returned to campus as the new academic year began, after almost a whole year of "online life". The coronavirus pandemic continues to impact study abroad activities, but we seize every opportunity to facilitate international exchange.
