For the future of Mobility
—What can FUSO contribute in order to realize Carbon Neutral Society?

FUSO CASE CHALLENGE 2021

We cordially invite you to participate in our case challenge on November 25!

Participants will work on a real-life business challenge that FUSO faces today and the finalists will have a chance to pitch their ideas to our executives. As young talents, your ideas can truly impact the future of the transport industry. Not only is this a competition, it is also an opportunity for us to evaluate and shape the future of mobility. We look forward to your application!

How to register?

Deadline: October 25th, 2021

- **Open to undergraduate students in Japan. Each team must consist of four members.**
- **Register via the QR Code or visit the latest news in www.mitsubishi-fuso.com/career/**
