

■ Career Event for International Students (October 20)

The rules and customs of job hunting vary across nations, and it is important that one collect information early on and enjoy a substantial university student life. To provide an opportunity for international students early on to start thinking about their career, the Career Center solicited the help of Hosei staff, Kim Te-Hyuk from Tama campus, and Bi Yating from Koganei campus, who shared their job-hunting experiences as international students in Japan. Many among the 49 international students who participated reported being able to identify with the staff and expressed their appreciation for the practical tips.

decorations, and the G-lounge English advisors on Tama campus could even be spotted in (a hint of) Halloween costume. The treats for visitors, in addition to GI (Student Coop)'s joining in the action on Tama campus, the visitor number peaked at 127!!

<ECOpyon also welcomes you in Halloween style>

<Event Information>

■It's Halloween!!

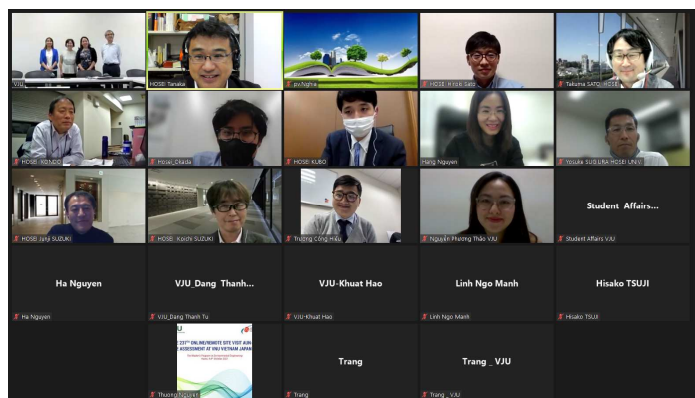

In late October, G-lounge on Ichigaya campus and Tama campus were swept by Halloween

■Seminar and Student Exchange with Shanghai International Studies University!

Faculty of Intercultural Communication students who belong to the seminar of former GEC Director and Vice-President for International Affairs engaged in a series of exchanges between September and November with students from the Shanghai International Studies University. The first two of the six exchange meetings focused on getting to know each other and also seminar activities related to reading, discussion, and exchange of views on book stores in the world and so on. The remaining four were student-centered activities focused on student level changes on a range of topics of interest to young people.

■ Staff workshop on university management and administrative work

Fully supported by JICA, a series of workshops were held as an effort to foster international cooperation in university management. Administrative staff from Hosei University and Vietnam Japan University participated in a series of staff development workshops between September and November. From Hosei University, Ryosuke Okada presented on International Student Supports, Takuma Sato presented on Internal Branding, and Takahiro Kubo presented on Hosei University's Staff Development System.
