## Assessment, Certificate and Graduation

Students will receive an assessment and grade report upon completion of their program. To mark the end of the program, a virtual closing ceremony can be held at the conclusion if desired by our partner institutions. Students will be provided with a Certificate of Completion. *Please note: these programs are non-award.*

## Student Support

We understand that many students may not have studied in online mode before. We offer a pre-program orientation for program participants so that they are able to test their equipment and resolve any technical questions prior to beginning their academic program. This also gives

the opportunity for students to meet our friendly team who will be there to provide support throughout our virtual programs.

## ELC Social Club

Whether in-person or online, students love to interact with their peers from the University of Adelaide. Even though we can't meet in person, our online guided chat forums with local Adelaide volunteers and University of Adelaide students are a popular way to stay connected, and are an ideal way for students studying virtually with us to learn about Australian culture.
